### Loving Greetings

Phyllis is kicking the year off with Foundations of Unity. This is a great class to start your Unity studies if you've not yet taken any classes.

It's also for those who want to deepen their understanding of Unity teachings. Emilie Cady's book is a series of twelve lessons. The Fillmores asked her to write them for their newsletter in the early 1900's.

She was reluctant to do so but I know you will find how well they hold up even today. And it's good to have Eric Butterworth's work alongside in modern vernacular.

You can join Phyllis on Tuesdays and/or Saturdays in January. If you want to do the class for credit please use the attached registration form. Otherwise email me with your intention to participate.

Merry Christmas everyone and a prosperous New Year.

Yours in loving Unity,

Ros Goldsbrough

Education Director

Joe Chee is working on getting MailChimp set up for us and Julian Harvey and Diane Barry are exploring a website that will enable you to register directly using it.

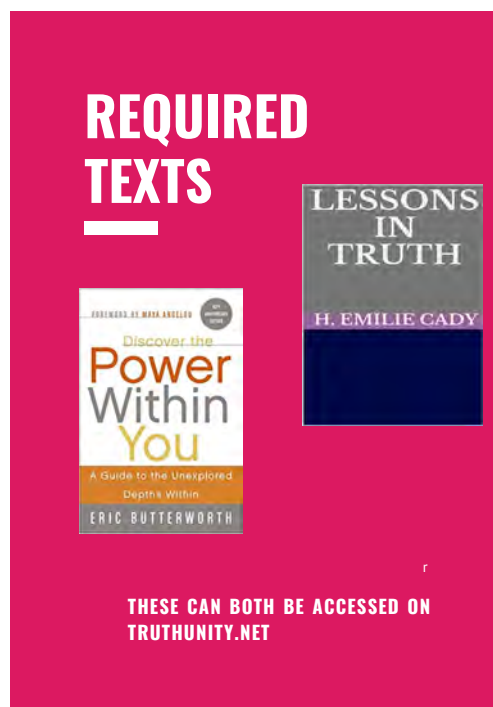

I am grateful that people are stepping up to help make your experience, and mine, better.

I am also grateful for everyone who's been part of 2020's classes. We've done all our teaching on Zoom and that has been a challenge for some. However, from where I sit it seems to have gone very well.

Please feel free to let me know if you have had concerns or just to tell us how good it has been. We can take either.

Abundant blessings and love,

Ros

A study of two of Unity's most loved authors who have given us an opportunity to learn from their understanding of the teachings of Jesus and how they relate to our own lives. Each author has offered us ways of living a happier and more peaceful life using the wisdom and Truth that Jesus understood, demonstrated and shared during his life.

Emily Cady's *Lessons in Truth* and Eric Butterworth's *Discover the Power Within You* have been the inspiration for many, including myself, to change our lives and know the truth of our own divinity.

Join me, via Zoom, meeting room <https://zoom.us/j/4215646668> Password 5, as we explore these wonderful teachings Tuesdays 7:00 p.m. EST starting January 19th and/or Saturdays 9:00 a.m. EST starting January 23rd

As we explore the teachings, we will build consciousness, learn the foundational principles and how to integrate them into our daily lives. We will also explore how we might keep ourselves in bondage and look at ways we can move into freedom or as Emily Cady says liberty. The divine paradoxes of "God" will be considered and explained and we will look at the three-fold nature of humankind, as well as explain the metaphysical teachings of Jesus, and consider the power of affirmative prayer.

I look forward to sharing with you in 2021, Phyllis
