Loving Greetings

I am excited that we are able to offer another class to our Zoom offerings. As part of Rachel's leadership practicum she has to teach a number of classes.

She has chosen The Four Spiritual Laws of Prosperity using the book of the same name by Edwene Gaines. Listening to Edwene's tapes way back when was how I first got introduced to Unity principles and how my life turned around in the best possible way.

I am participating so you can take the class for credit. Otherwise just take it anyway. You won't regret it.

And coming up at 9 June Julian Harvey will be facilitating Crucial Conversations. See details next page.

You may take any of the classes we are offering just for your own spiritual development.

Yours in loving Unity,

Ros Goldsbrough,

Education Director

Give your love offerings the same way.

The Zoom classes are held on a love offering basis. At the end of each session take a moment to make a love offering if you have internet banking.

For Rachel's class use your name and 4LawsLO as a reference. For Julian's use CCLO.

The love offerings are shared with the facilitators. Remember none of them receive payment for doing these classes so make sure you recognise this in your giving.

I have been delighted with the way people have been showing up to these classes. It still amazes me that the Fillmores built a worldwide movement on the basis of free will love offerings.

I am encouraged that we are on the right track to building a vibrant Unity Australasia.

As you give, so you receive!
